RATE THE PHAROHS ACTIVITY

Use the following chart to gather information about **5 of the pharaohs** in the “Rate the Pharaohs” packet. Read the short bios about each pharaoh to learn about what they were like when they ruled Ancient Egypt.

Write the **pharaohs’ name and range of years ruled** in the first column. In the second column, list **3-4 events** (things that happened) **or accomplishments** of the pharaoh during their rule. Based on how you think the pharaoh did as the leader of Egypt, **give them a letter grade rating** – *A = extremely effective or great, F = not effective or a terrible ruler*. **Use specifics to explain why** in the last column in 3-4 complete sentences.
