The following is information for this class. I ask that you read through it carefully and sign at the end.

Course Description and Objective

This course is designed to help students achieve an appreciation of the Spanish language and culture. Students will continue to develop skills in the areas of reading, writing, listening and speaking as well as learn aspects of different Hispanic cultures throughout the world. It is important to note that all students must earn a proficient (B/5 or above) rating on all fourth quarter assessments in order to move on to the next sequential level with the recommendation of the teacher.

Student Evaluation and Grading Procedure

Students will receive two grades: Content/Knowledge and Work Habits.

Content/Knowledge:

Students are evaluated through a variety of methods such as quarterly assessments, projects, and tests and quizzes involving International Baccalaureate Language Acquisition Criteria: comprehending spoken and visual text, comprehending written and visual text, communicating in response to spoken, written and visual text, and using language in spoken and written form.

Content/Knowledge Grade Scale:

Content/Knowledge Grades are based on the International Baccalaureate language acquisition criteria rubrics: comprehending spoken and visual text, comprehending written and visual text, communicating in response to spoken, written and visual text, and using language in spoken and written form. These grades are based on achievement level ranging from 0-8.

- A = 8 - 7
- B = 6 - 5
- C = 4 - 3
- D = 2 - 1
- I = 0

Work Habits:

Warm-ups, homework, class work, class participation, weekly P.A.C.K. grade (Prepared, Actively Engaged, Cooperative, Kind and Safe), etc.

Work Habits Grade Scale:

A/4=Consistently exceeds expectations

B/3=Consistently meets expectations

C/2=Inconsistently meets expectations

U/1 or 0=Does not meet expectations

Classroom Expectations:

1. Be a member of the PACK (Prepared, Actively engaged, Cooperative, Kind and safe).
2. Make sure to follow all school-wide rules and policies. (Check in Student handbook.)

Homework/School Work Policy:

Students will receive homework and classwork daily. Students are expected to complete homework and school work before the class period that they are due unless the student has been absent from class. If the student has been absent, they must make up all missed assignments within a reasonable amount of time. If the assignment is handed in one day late without absences, the work habits grade will be marked down to a 'C/2'. If the assignment is handed in later than one day late, the student will earn a 'U/1' (the missing flag will be lifted).

Additional Assistance:

Students needing additional one on one support can arrange to meet with Sra. Maharas before or after school.

Quarter and Year End Assessments:

Every quarter students will be assessed based on the International Baccalaureate language acquisition criterion. Students will earn a rating of 'Proficient' (a grade of '7 or 8/A' or '5 or 6/B') or 'Not Proficient' (a grade of '3 or 4/C' or lower). This will allow students and parents the opportunity to see how students are progressing and what areas they need to concentrate on improving. At the end of the year, students will take assessments covering grammar, vocabulary and topics from the entire year. These assessments are a good indicator as to whether or not a student is ready to advance to the next sequential level in Spanish. The Spanish department at RVMS recommends that a student earn a grade of 'Proficient' in all four areas to move on the next level of Spanish.
