Special Education

Happy Friday Ranch View Families! The last two weeks have brought smiles, laughter, and lots of **proud moments**. My favorite time of the day is when I pop into classrooms and watch the teaching and learning in action, it just fills my bucket! Teachers are engaging our students with real, relevant learning and I continue to be impressed with the strong relationships they build with students. I observe a high level of respect and high student engagement. My highlight from the past two weeks was definitely our first **Excellence Assembly**. At our Excellence Assemblies we will be recognizing students for their outstanding effort and achievement. These students have shown positive character and have gone above and beyond. Students will receive an Excellence Award, a Wolf Medal, and a Ranch View t-shirt. It was an honor to recognize our amazing students last Friday! Congratulations to Connor Boggs, Taylor Andresen, Adam Rymkiewicz, Alex Loaiza-Franciscotti, Samara Candelaria, Landon Cole, Ty Gebhard, Anton Levin, Cole Tankersley, Kelyn Smerchek, Drew Henry, and Whitney Chuhta. Thank you for being great leaders! Our next Excellence Assembly is November 1st!

New Fundraiser for Ranch View...

This year we are going to try something different. We will not be selling magazines. Instead, our students will be selling caramels.. ...and right in time for fall, Thanksgiving, and possibly for holiday gifts! We will only have 1 fundraiser so we are going to make it **AWESOME!** Our fundraising efforts will start the week after fall

break, October 22-29. We will be using the money we raise to put towards Chromebooks for classrooms, stairs on the field, additions to the weight room, and individual classroom needs. Please keep an eye out for more information with all the details, it will be coming home soon! Have a fabulous weekend, enjoy the fall colors & sunshine!

#RanchViewProud

IMPORTANT REMINDER

**Support your Ranch View
School-wide Caramel Fundraiser**

October 22 - 29

Our 7th Grade Tundra Team had an amazing time at the Castle Rock Adventure Park on Friday, September 27th. See pictures to the right.

A few Ranch View students, parents, and staff walked in the Step Up for Down Syndrome Walk at Denver City Park on September 22. All proceeds went to help the Rocky Mountain Down Syndrome Association. Our team this year was "Dougie's Friends". Dougie is one of our amazing 7th grade student and his family was gracious enough to invite us to support their team.

First Inspire Excellence Assembly on September 27 was a huge success! We are grateful to Dr. Tucker, former RVMS Principal Tanner Fitch, and others for their support with CMAS growth. Twelve phenomenal students were also recognized for exemplifying a multitude of IB profile attributes.

Isabella St. Marie has been selected as a finalist in the "What Does Food Mean To Me?" theme district wide art contest. Congratulations Isabella!

In Review

October 4 - 5, Fall Play 7:00 pm, tickets at the door are \$3/students, \$6/adult

Looking Ahead

Ranch View Middle School
 1731 Wildcat Reserve Pkwy
 Highlands Ranch, CO 80129

Unified Soccer Night

Ranch View's Unified Soccer Night will be **Wednesday, October 23 at Shea Stadium**. Our Wolves will go up against the Mountain Ridge Rams at 4:00 pm. Entrance fee is \$5 and concessions will be available. Proceeds will go to help fund each of the Unified programs involved and an equal portion will be donated to Special Olympics for supporting our programs and students.

Wrestling and Girls Basketball

Parents and students are invited to a
Preseason Informational meeting
 Wednesday, October 9
 5:00 pm in the gym

**THE NEW
 BOX TOPS LABELS**

Eventually the Box Tops program will become digital-only. Participating brands are starting to change their packaging from a traditional Box Tops clip to the new Box Top label.

If you see this label, use the new Box Tops app to scan your receipt. **Box Tops are still worth 10¢ each for your school.** The app will find participating products purchased at any store and instantly add cash to your school's earnings online.

Profile of an IB Student: Knowledgeable

As an IB school and within the IB framework we strive to develop students who are **inquirers and knowledgeable, thinkers and communicators, principled and open minded, caring and risk-takers, balanced and reflective.**

In the last issue of the newsletter, we featured the IB Profile character trait of Inquirer. In this issue we will focus on knowledgeable. The student that is knowledgeable strives to have an in-depth conceptual understanding of local and global issues. He or she develops an understanding of topics across many fields and topics.

We asked our teachers to identify two students who exemplify this characteristic. The two winners are: **Hudson Zieske and Vern Caruso**

Hudson is a natural learner! He enjoys engaging in class, and he participates actively. He is kind, helpful, polite, and respectful to everyone. He really likes to learn and is always actively seeking knowledge.

Vern is knowledgeable in many content areas. Vern brings a wealth of knowledge to class and can make connections with new information that students are learning across different classes.
