Welcome to Volunteering in Douglas County Schools

“100 years from now it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove. But the world may be different because I was important in the life of a child.”

— Anonymous
Dear Volunteers,

On behalf of Douglas County School District, I want to thank you for being on our team to help students succeed. There is no stronger statement of parent and community support than the valuable time you invest in our youth – the leaders of tomorrow. We thank you for the wisdom you share, and the care you provide to Douglas County students.

From helping our young people learn to read, to working endless hours for after-prom, and everything in between, you send a powerful message that you are invested in our community’s children and their education. You bring your own life experiences into the classroom and enrich the lives of our students and staff each day.

Our Board of Education’s Vision is: Students will acquire the knowledge and abilities to be responsible citizens who contribute to our society. As you volunteer your time, in whatever capacity, you make a difference in our students’ academic and social success. Ultimately, your active partnership will help us towards our goal of creating responsible citizens.

Thank you so much for your service to others.

Dr. Elizabeth Celania-Fagen
Superintendent

Our philosophy is to enrich our students’ education opportunities by tapping the multitude of resources available. These include gifts of time, skill, expertise and knowledge found within our community.

**Our Goals**

- To enhance school and District goals.
- To extend and enrich educational programs by making available talents and resources of business persons, civic organization members, retirees, parents and friends.
- To promote positive school/community relationships.
- To provide a positive, safe growing environment.
Volunteer Opportunities

**Classroom** – Performs clerical, tutorial and teacher reinforcement tasks under the direction of the classroom teacher, thus allowing teachers more professional time to spend in their classes and with individual students.

**Library/Media Center** – Works with the school librarian to assist in operating the library. Shelving, filing, clipping, circulation and book processing are some of the tasks the volunteer may perform. Prepares, inventories and operates audio-visual aids/equipment under teacher’s direction.

**Project Assistance** – Works with art or classroom teachers to prepare materials and help students develop their creativity. The volunteer provides many opportunities for students to discover and develop their abilities to the fullest.

**Tutor** – Works one-on-one with a student or with a small group of students who need remedial help in academic subjects to reinforce basic skills.

**Special Enrichment** – Participates with classes or groups on topics related to occupations, community interests, hobbies or other interests. May also assist on field trips.

**School Support Activities** – Performs important support as needed for a special project or fundraiser. This includes serving on PTA/PTO, School Advisory Councils or Booster Clubs; assisting with fine arts, career fairs, classroom parties, after-prom and/or other school-sponsored activities.

**Vision/Hearing Screening** – Although District staff conduct the screening, volunteers are essential for a smooth-running event. Volunteers may help with the actual hearing or vision screening and will undergo a short training session prior to working with students.

To more directly assist teachers and staff, many schools in the district have a part-time paid **Volunteer Coordinator**. They are responsible for the recruitment, placement, training and scheduling of volunteers in schools. Volunteer coordinators collaborate with building leadership to align volunteer efforts with school goals and promote good community relations among various community and school clientele. In addition to volunteer coordinators, many schools also have a parent-teacher organization that assists with fundraising, hospitality and other school-wide activities.

Per Board of Education Policy and Superintendent Regulations, the following Volunteer Guidelines/Legal Regulations must be adhered to.

- All **parent** volunteers must sign the *Parent Volunteer Agreement* form, agreeing to student confidentiality and consenting to a background check (see “About the Volunteer Agreement Form” on page 5).

- All **community** volunteers (typically defined as a volunteer who does not have a student in a DCSD school) must complete a registration process, involving submission of the *Community Volunteer Application*, an interview, reference calls and a background check, along with a copy of a valid driver’s license.

- Any **volunteer** going on a school-sanctioned overnight trip must submit a signed *Community Volunteer Application* with a copy of a valid driver’s license and have a completed background check.

- For security reasons, volunteers must sign in upon arrival at a school site and wear a nametag while in the building.

- Risk Management requires that every person who volunteers in our schools must register and document the time they are volunteering to be eligible for the volunteer accident medical policy and coverage under our general liability. The District does not cover volunteers under its workers’ compensation policy. “Registered volunteers” will be defined as individuals who have signed and submitted the Volunteer Agreement form.

- Approval must be given before using a private vehicle in a school-sanctioned activity. The Driver Authorization form must be completed and submitted to the appropriate school administrator.

- Douglas County School District will not certify adults needing to complete hours for useful public service (this does not apply to DCSD students who are doing community service).

**Volunteer Definition**

A volunteer is an individual who reaches out beyond the confines of paid employment and normal responsibilities to contribute time and service to a nonprofit cause in the belief that his or her activity is beneficial to others, as well as satisfying to himself or herself.
As a **volunteer** assisting within the Douglas County School District Re. 1 (“District”), you have been authorized by the Principal or the Principal’s designee to act as a school official subject to the direction and control of the school’s administrators and teachers. Therefore, when signing the Volunteer Agreement, you understand and agree,

- That failure to maintain the confidentiality of all student education records and information to which you are given access may disqualify you from further service as a volunteer in the District.
- That by providing the information requested, you consent to the District conducting a background check and understand that the District reserves the right to decline the volunteer service of anyone.

### Code of Ethics for Volunteers

In order to promote volunteerism in our schools, it is essential for all school volunteers to adhere to a professional code of ethics. We ask that volunteers subscribe to the following:

- **Confidentiality** – You may have access to grades and records. You will know the children who are succeeding, and you will know the children who are struggling. Discuss concerns with the staff or the volunteer coordinator, not with other volunteers, with other parents, or in the community.

- **Dependability** – Be dependable. The teachers/staff have planned activities for you and the students. If something comes up, please be considerate of those depending on you and notify the office.

- **Communication** – Your volunteer work should be a learning experience for you. When you have questions or concerns about policy and procedures, ask the appropriate person—the teacher, the principal, or the volunteer coordinator. Most problems can be solved with respect and honest communication.

- **Support** – As a school volunteer, you will be in a support position. Your role is to support the classroom teacher and the principal of the building, since they are responsible for the education of the students at school.

- **Attitude** – Come to school with a positive attitude, one that will say to the students, “You are so special. I’m glad that I have an opportunity to work with you.”

---

### Tips for Working with Students

**Tip 1**

Encourage children to do their own thinking.
Expectations

What Is Expected of Volunteers

- Complete the required application paperwork and confidentiality agreement, and attend orientation and training sessions as needed.
- Sign in and out upon arrival and departure. Greet teachers and staff to let them know you have arrived.
- Wear your name tag for identification, in the building or at your volunteer activity.
- Bring your smile and willingness to work.
- Be reliable. Show up for the activity you have volunteered for, as well as the time you agreed to—it is very important. Volunteer only for the time you can realistically expect to fulfill. If you need to be absent, call the school or volunteer coordinator as soon as possible and ask that the teacher or staff you are assisting be notified of your impending absence.
- Be honest in your approach and attitude.
- Be patient when working with students. They may be having difficulties of which you are not aware. Your patience will work wonders.
- Be flexible in responding to the needs of students and staff.
- Be a positive role model for students in attitude, behavior, language and dress. Let your conversations demonstrate respect for others, and avoid language that may be perceived as discriminatory, sexist or offensive. Dress comfortably and appropriately for the activity you will be doing.
- Notify a staff member if a student confides about an abusive situation. Staff will do the necessary follow-up.
- Gifts or food for individual students is inappropriate. With staff approval, volunteers may bring snacks for the entire classroom (for the staff to distribute when appropriate) or they may make a donation of books or supplies for the classroom.
- Ensure positive closure. If you plan on ending your volunteer involvement before the end of the year, please notify the staff and the volunteer coordinator. It is especially important that the students be left with the clear message that you have enjoyed working with them.

What a Volunteer Can Expect

- To work at a position that is worthwhile and challenging, with freedom to use existing skills and develop new ones;
- To have your position defined by a job description and to receive orientation and training;
- To receive sufficient and ongoing training with clear and specific directions from your supervisor or volunteer coordinator;
- To feel that you are an important part of the team by having your accomplishments recognized;
- To receive constructive feedback on your performance;
- To have your skills, dignity and individual needs respected;
- To not be left in charge of an entire class. This does not preclude a volunteer working in a separate room with a child, following the teacher’s direction.
- To have the ability to refuse an assignment that you feel you are not trained or qualified to perform;
- And, most importantly, expect to have fun!
**Volunteer Hours** – Your volunteer coordinator keeps a record of the number of hours volunteered at your school each month.

**Volunteer Hours Off Site** – Those who perform volunteer work at home or outside of the school building should keep a written record of their hours of service and report the hours on a periodic basis to your volunteer coordinator.

**Emergencies** – In case of an emergency or when you have concerns for student safety, please report your concerns immediately to school personnel. Your school has specific procedural guidelines. In case of a life-threatening emergency, call 911. Additionally, contact our Security Department at 303-387-9999.

**Siblings and Preschoolers** – In order to give your full attention to your volunteer job, and because we do not have daycare available, we would ask you not to bring your younger children to the school while you volunteer.

---

**Tips for New Volunteers**

- **Ask questions.** Know who to go to with questions. Determine what the school expects of you. Ask about common goals/beliefs.

- **Arrive early.**

- **Ask for a tour** to be familiar with the school and its environment.

- **Live up to your commitment.** Be available for your assigned shifts or make arrangements ahead of time if you can’t be available.

- **Be an ambassador for your school.** Dress appropriately, and speak positively at all times.

---

**Site Specific Information**

Your school should review with you the location and/or procedures that will include the following information specific to your site:

- Restroom
- Parking
- Teachers’ lounge
- Fire, tornado and lock-down procedures
- Telephones/cell phones
- Identification (button/badge)
- Copy/workroom
- Lunchroom
- Who to call if you are absent
Local and national organizations are consistently amazed at the amount of volunteer support Douglas County School District enjoys. This information, however, is solely dependent on volunteers themselves reporting their time to their volunteer coordinator. Your school and the District use this information in the following ways:

- To demonstrate community support when applying for school or District grant monies.
- To acknowledge the contributions of volunteers to school staff, District administration and the Board of Education.
- To document, recognize and celebrate individual volunteer service
- To evaluate program effectiveness – i.e., are volunteer numbers up or down; is it time to evaluate our processes?

Please help your volunteer coordinator by logging your time – whether it is done on-site or off-site, it all adds up!

**About siblings and guests:** For most schools, siblings and guests of volunteers are not permitted to ride on the bus. Parents who wish to bring siblings along must have the teacher’s permission, must not supervise students and should take care that the siblings do not detract from the overall experience.

**Why Are You Asked To Record Your Volunteer Time?**

Field trips offer students unique learning opportunities that could not be offered without parent volunteers. Chaperones play an important role in supervising students. For that reason, we require the following of our volunteers:

- Willingness to help students have a positive and safe learning experience.
- Ability to monitor students, know their whereabouts at all times and enforce the teacher’s behavior guidelines.
- Proof of insurance on file with the school District, if driving students other than your own.
- NO unauthorized stops, no matter how brief, may be made, except in an emergency.
- Be reliable and punctual.

**Guidelines for Field Trips**

**Tips for Working with Students**

Help students realize that making mistakes is part of learning.

Tip 2
By giving of yourself, by sharing time, by caring ... you are making a difference.

Volunteer expenses that are deductible per IRS regulations:

- You may deduct the cost of transportation (gas, oil and parking expenses) to and from home and the school.
- You may deduct supplies and materials that you personally purchase to use exclusively in your volunteer role.

Dismissing a Volunteer

Volunteers who do not adhere to the rules and procedures of the School District and who fail to perform their volunteer assignments are subject to dismissal. No volunteer will be terminated until the volunteer has had the opportunity to discuss the reasons for the possible dismissal with supervisory staff.

Reasons for Dismissal

Possible grounds for dismissal may include, but are not limited to, the following:

- Violating the confidentiality policy;
- Being under the influence of alcohol or drugs;
- Theft of property or misuse of School District equipment or materials;
- Abuse or mistreatment of students, staff or other volunteers;
- Failure to abide by Douglas County School District’s policies and procedures.

Tips for Working with Students

Be consistent with the teacher’s rules for behavior.

Harassment/Sexual Harassment

Douglas County School District is committed to maintaining a positive work environment. We strive to provide employees, students and volunteers with an environment that encourages efficient, productive and creative work. Douglas County School District will not tolerate any verbal, nonverbal or physical conduct that harasses, disrupts or creates an intimidating, offensive or hostile environment.

Tips for Working with Students

Tip 5
Maintain a sense of humor.
Spellbinders™ – Partnership Program with DC Libraries. A national, nonprofit organization that fosters connections between generations through the art of storytelling. Spellbinders tell stories to students in elementary classrooms, they do not read books. Spellbinders must complete a free, eight-hour training session that will equip them with the tools and techniques to be an effective storyteller, along with guidelines when working in our schools. Storytellers need to be 55 years or older. For more information, call 303.387.9382.

The Senior Employment Program – Designed for Douglas County residents who are over 60 years old, this program provides an avenue for senior citizens to work in schools while earning a modest hourly income. Benefits of this program are that children love the intergenerational aspect, staff benefits from additional help, and seniors know they are making a difference at schools and for students. For more information, call 303.387.9382.

For more information about volunteering, please contact the individual school(s).
